SCHOOL SONG

*On the banks of the Rappahannock,
And the ancient King's Highway;
At the head of navigation
And the tide from the Chesapeake Bay,
Stands a city old and honored
May her shawdows ne'er grow less;
And the jewel of that city
Is her High School, J. M. H. S.*

(Chorus)

*Hail, hail, to James Monroe
Our own beloved High;
Though her pathway may be rugged
We will leave her with a sigh;
In the years before us,
Her name we'll always bless;
For she's our foster mother,
Our beloved J. M. H. S.*

*Four square to the winds of heaven,
Four square to truth and right;
May she stand four square forever,
'Gainst ignorance and strife.
May she ever bear with honor
And her sons and daughters bless,
The flag that flies above her,
Our beloved J. M. H. S.*

THOSE THAT COULD NOT MAKE THE REUNION BUT SENT MESSAGES

JAN RANDLER

Should you decide to reunite again in five or so years, keep me posted. Looking forward to hear about the great time you all will be having in two weeks. Me? I'll be thinking of everyone as I wade through the sea of small children unsuspecting of the power of educationally enriching moments in a non-profit, private organization. (I'll be at the museum.)

PAIGE KELLY

I did get the "invite" and wish I were able, but am not yet up to doing much of anything. Things are improving slowly, but very slowly. It appears I have CFIDS (was diagnosed in Feb.) and am still hanging on, but don't get out much. I hope a good time is had by all who can make it. Sounds like fun. If things change dramatically (for the better), I'll let you know. But as it stands, I'm not able to get out and about. Hope you're doing well and that the turnout is good.

BYRD OLIVER WOOD

Thanks for including our class. I have a conference that weekend, so I'll be out of town. But tell everyone hello and I hope you all have a great time!!!

EDITH RIDDERHOF

Nice to hear from you. After I left J. M. H. S. (because my Dad was transferred to Camp Lejeune from where I graduated), I ended up at VCU. I got a Pol. Sci. degree but ended up in the bar/restaurant business. I finally decided what I really wanted to do with my life and went back to school, again at VCU, and got a B. F. A. in Graphic Design.

Kathy Habron, and I probably spelled her name incorrectly, is the girl with the cat eye glasses that used to stand alone every morning before the start of school. We all used to laugh at her. Before I left JM, I got to talk with her. I saw her a few years later working at Kings Dominion. I have regretted that I ever made fun of her and hope that life has treated her well. I would just like to say hi.

ROSEMARY REEVES

Tried very hard to make it, but couldn't due to family obligations.
